

Scott Schreiber

*CCI Core Member and Executive Director, Camden County
Municipal Utilities Authority*

Scott was appointed Camden County Municipal Utilities Authority's Executive Director in February 2020. CCMUA's Regional Wastewater Treatment System treats 50 million gallons of sewage discharged every day from properties in Camden County at its plant, the Delaware No. 1 Water Pollution Control Facility. Scott has committed his career to nonprofit and public service leadership. Prior to joining CCMUA, he served as the executive director of the Audubon Mutual Housing Corporation from 2006 through 2012, a nonprofit cooperative housing project in Audubon Park, where he focused on improving infrastructure and maintaining a strong financial position. In the eight years since joining CCMUA, Schreiber has served in several key positions, including as the planning administrator, grant administrator, budget officer and deputy executive director.
